RULES AND REGULATIONS
SOLID WASTE COLLECTION

The RHOA BOD contracts with a solid waste collection company to pick up solid waste in Riverwind. Residents can contact charitable organizations to donate used items that are still in workable condition.

The Transfer Station takes many items that the solid waste collection company cannot pick up. Check their site before going. They accept tires, construction and demolition materials, dried paint, TVs and monitors (for a fee), electronics, and more.

Special collection events at the Transfer Station are held on specific dates, six times a year. Liquid paint is collected at the Transfer Station and household chemicals, cleaners, pesticides, and fertilizers are collected at the Convenience Center.

If you leave Riverwind for an extended period of 30 (thirty) days or more, be sure to inform the RHOA Bookkeeper of your address. This allows an adjustment to the RHOA Solid Waste bill.

YARD WASTE

The solid waste company will not accept bags of yard waste with the weekly trash pickup.

Bagged yard waste (leaves, brush etc.) needs to be collected by a landscaper or taken to the Transfer Station by the resident.

RECYCLING

If you wish to participate in the recycling program, **BLUE** bags may be purchased at a local store.

Please leave **BLUE** bags outside separate from the other trash to ensure they do get recycled.

All items that can be recycled can be together in the same **BLUE** bags. You do not have to separate them.

There is a separate truck on your route that gets the **BLUE** bags but it is on the same day as your trash pickup on a **bi-weekly** basis.

When there is a holiday or inclement weather that impacts the pick-up day, the RHOA Secretary will notify the community of the revised pickup day.
